34th Annual Conference of the European Academy of Facial Plastic Surgery

Plastic Surgery - European Academy of Facial

4th Annual Conference of the European Academy of Facial Plastic Surgery

Under the patronage of Her Royal Highness Princess Mathilde of Belgium

Invitation

The annual meeting of the EAFPS is the most important meeting of the year in Europe for surgeons interested in facial plastic surgery. An extended international faculty presents lectures on the latest developments in the field of facial plastic surgery. The combination of lectures, workshops, master courses, state-of-the-art lectures and symposia provide the participants with a broad overview of the current state-of-the-art.

In 2011, the annual meeting of the EAFPS will be held in Bruges, considered to be one of the most beautiful cities of Belgium and declared by UNESCO to be World Heritage. The meeting will be held in the Oud Sint-Jan, a historic building in the heart of the city near the canals. Oud Sint-Jan served as a hospital from the Middle Ages till the nineteenth century and is nowadays being used as convention center. Upon visiting Bruges, you will immediately notice that this Medieval city has carefully cherished its architectural and artistic treasures from the past.

It is with honour and great pleasure that we invite you to attend the annual EAFPS meeting in Bruges from 1 until 4 September 2011.
