JOIN THE LARY-GYM EXPERIENCE!

The first lab entirely dedicated
to endoscopic and open surgery
of the larynx

Edition
June 4th -7th

Europe

Monday, June 4th

- 9.00 am Introduction
- 9.15 am Anatomy of the larynx and pharynx
- 9.45 am Imaging of the larynx and pharynx
- 10.15 am Physiology of the larynx and pharynx:
on what and how to focus to reduce the functional
impairment after surgery
- 10.45 am *Coffee Break*
- 11.00 am Inside-out surgical anatomy in 3 D
- 12.00 am Transoral Laser Microsurgery (TLM):
classification of different types of surgery
- 12.20 am Open Partial Horizontal Laryngectomies (OPHLs):
classification of different types of surgery
- 12.40 am Total Laryngectomy (TL): technical highlights
- 1.10 pm *Lunch*
- 2.30 pm TLM: technology and setting of the operating room
- 2.50 pm OPHL and TL: technology and setting of the operating room
- 3.10 pm **Relive session**
TLM
OPHL
OPHL with crico-hyodoplasty: technical highlights
TL
- 5.30 pm The concept of laryngeal compartmentalization:
how to select patients amenable to different types of
laryngeal surgery
- 6.00 pm Economic aspects of laryngeal surgery
- 6.20 pm Aspects related to informed consent to partial
laryngeal surgery
- 6.40 pm Presentation of clinical cases to be operated
- 7.15 pm *Welcome Happy Hour*

Tuesday, June 5th

- 8.00 am **Operating Room 1**
Open surgery: OPHL-TL
Operating Room 2
TLM
- 1.30 pm *Lunch*
- 2.30 pm **Hands on activities in the Lary-Gym**
Table 1 - Fiber laser OPHL Type I-II
Table 2 - TLM supraglottic laryngectomies
- 6.40 pm Presentation of clinical cases to be operated

Wednesday, June 6th

- 8.00 am **Operating room 1**
Open surgery: OPHL-TL
Operating room 2
TLM
- 12.45 am **Lecture: Functional results after OPHLs and TLM**
- 1.30 pm *Lunch*
- 2.30 pm **Hand on activities in the Lary-Gym**
Table 1 - OPHL Type III – TL
Table 2 - TLM Type I-II-III cordectomies
- 9.00 pm *Social Diner*

Thursday, June 7th

- 9.00 am – 6.00 pm
Hands on activities in Lary-Gym
Table 1 - OPHLs types I-II-III: the modular approach
Table 2 - TLM type IV-V-VI cordectomies
- 12.45 am **Meet the Professor and his organization**
